Facility Identification Number: 37813
Special Temporary Authority (STA)
BSTA-20150702AAD

Dear Licensee:

This is in reference to the request filed July 2, 2015, on behalf of Life on the Way Communications, Inc. ("LWC"). LWC seeks to modify the Special Temporary Authority (STA) granted March 10, 2015 (BSTA-20150227AAL) to increase the effective radiated power (ERP) to 2.5 kW and continue such operation until the licensed facilities can be reconstructed.

The new request for STA IS HEREBY GRANTED. Station KTLW may continue to operate from its licensed site with the emergency installation described in its request, at 2.5 kW ERP. LWC must notify the Commission when licensed operation is restored. LWC must use whatever means are necessary to protect workers and the public from radiofrequency exposure in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on **January 4, 2016**. In light of this STA grant, the earlier STA BSTA-20150227AAL is CANCELLED.

Sincerely,

Dale Bickel
